

Mezzo

semi-high back

The Mezzo semi-high back offers straightforward, low cost, comfortable seating for vehicle conversions where the legal requirement for lap and diagonal seat belts does not apply.

The expected range of seat widths, leg heights and accessories is available.

Mezzo is stylish and lightweight and is supplied with a two year warranty.

Features

- Available with retractor or static lap-belts
- Available as singles, doubles or trebles
- Available in three widths (400, 425, 450mm)
- Variable leg centres
- Compliant to Community Directive 76/115/EEC (as amended)
- Black paint finish
- Full range of accessories
- Removable cushion

Trim

To match original material in most vehicles. Vinyls and moquettes also available.

Bases

All seats are supplied with legs (height and quantity according to application)

Accessories

- Armrests
- Headrests (adjustable)
- Quick-release fittings
- Corner grab-handle
- Rear grab-handle

Belts

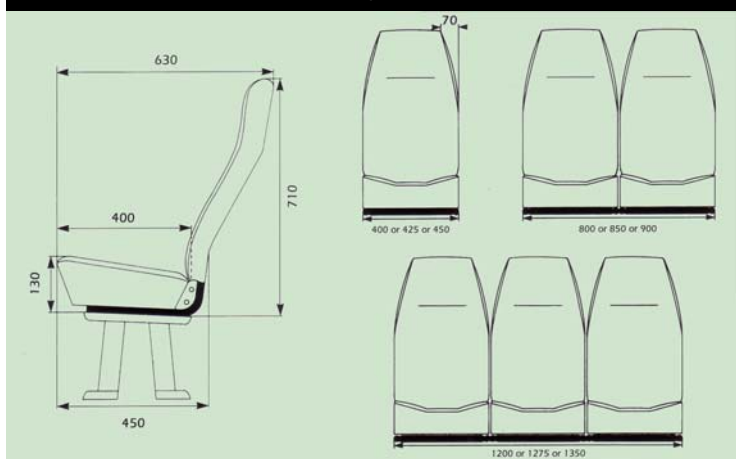

Static or retractor lap belts can be fitted to in-built anchorage points.

Lap belt anchorage points comply with 76/115/EEC (as amended) for category M2 and M3 vehicles.

Note: **Lap/diagonal belts are NOT available on this product** (see *Defender* range)

Dimensions (for guidance only)

Notes

- 1 Caution: It is not possible to test every permutation of seat width, accessory combination, leg height, position and type, or seat belt requirement. For this reason, it must be emphasised that compliance cannot be assumed where there is any deviation from the standard supply or assembly method. Additionally, the advantages of this product may be lost if insufficient consideration is given to the method of installation of the seat in the vehicle.
- 2 FULL compliance to seat belt anchorage regulations can only be achieved through vehicle testing.
- 3 Product improvement may affect specifications.
